# Seven Amazing Yachts to Charter for Christmas and New Year

**14th December 2018 // By Alex Martin**

Yachts to charter for Christmas and the new year has been made easy with *Elite Traveler* enlisting some of the most informed brokers in the business to curate a list of truly stunning vessels that are still on the market.

There is no better way to escape the frenetic atmosphere that dominates the holiday season than to cast off on a luxury yacht and head for warmer climes.

If you don't have the desire to invest in your own superyacht, but still dream of sailing off into the sunset, chartering will allow you to ring in the New Year aboard one of the world's most luxurious vessels for a fraction of its worth.
