

DENIKI

With her bold, eclectic interior, spacious outdoor living areas and unique massage waterbed, DENIKI offers fun, adventure and excitement for charter guests of all ages.

The flamboyant main saloon has an ethnic theme, combining styles from the classical to the oriental. A gold ceiling dome lends a sense of grandeur, while heavy fabrics drape the windows, creating a warm, cosy setting around the dining table. The avant garde bridge deck saloon is marked out with golden doric columns, rich, chocolate-coloured sofas and a mosaic-topped bar with stunning views out to sea. Guests can relax here, or move out to the heated aft deck with its spacious dining area and comfortable seating.

A forward-facing spa pool forms the focal point of the sun deck and is flanked by a large expanse of luxuriant sun pads. Take refuge from the sun under the elegant manta-winged mast arch and enjoy a long, sheltered lunch, or a cool drink at the bar. The relaxing massage waterbed aft - DENIKI's premier attraction - is large enough for two and easily operated at the touch of a button.

A fusion of African prints, colours and textures - silk-draped walls contrasting with dark crocodile skin leather - characterise the extravagant master suite. Bold zebra print chairs and a hand-painted desk give a mystical effect to the lounge and study area, which can be sectioned off from the cabin by sliding doors. The suite also includes a walk-in wardrobe, en suite bathroom and private gym with sauna and steam room/shower. The rest of the guest cabins, three doubles and a twin, have a calm, relaxing ambience and are situated on the lower deck.

The low swim platform at the stern provides easy access for swimmers and forms the perfect launch pad for DENIKI's array of watersports equipment.
