

MYKONOS

A relaxed, comfortable and versatile motor yacht, MYKONOS has all the components for a fun fuelled charter. Spacious living areas and shaded and open outdoor spaces provide for excellent lounging, dining and relaxing opportunities. She offers a host of features rarely found in a yacht of her size, in a contemporary, bright and peaceful setting.

Natural light floods the interior through vast windows, increasing the sense of space. Her main salon for indoor family activities is well appointed and offers an excellent space for entertaining or simply relaxing indoors. A large curved sofa and dining table combines to provide ample indoor options should the elements require guests to retire inside. The full beam master suite with panoramic views is almost unique on a yacht of her size, and she boasts further guest accommodation in two double cabins and two twin cabins.

The upper deck boasts generous sun bathing areas forward and aft, a sheltered dining area flanked by a curved sofa, jacuzzi and sumptuous seating with a coffee table. The main deck aft is the ideal place for al fresco dining on the customised table for up to 10 guests.

MYKONOS also carries an array of watertoys including scuba diving equipment, fishing equipment, SeaBobs, wakeboards and various inflatable toys.

Luxurious facilities, an attentive crew and beautifully designed living areas make her a great charter yacht.
