

ILLUSION

Having completed an extensive refit in July 2017, ILLUSION boasts impeccable new paintwork, rebuilt engines and upgraded systems. Built by the prestigious Feadship yard, she is one of the finest opportunities on the market today for a classic, quality motor yacht in her size category.

A highly desirable, classic Feadship that has been extended, rebuilt and refitted in 2009/10 with no expense spared, and again in 2017, to achieve the very highest standards throughout.

ILLUSION is also an interesting commercial prospect as a successful charter yacht with a proven track record.
