

HUNTER

HUNTER is a 114' Fiberglass yacht built by the renowned shipyard Falcon in Italy in 2004. Now based in Sydney, Australia, she has been refitted in 2017 with a focus on preparing her for the charter market by bringing her to RINA Commercial and AMSA regulations. Her six cabin configuration, made up of a master on the main deck, a VIP, two doubles and two twins on the lower deck, can accommodate up to 12 guests. A large Jacuzzi, sunpads, bbq, tender and helm station are featured on her flybridge and a hydraulic swim platform was added. HUNTER is both sporty and comfortable, with a cruising speed of 24 knots and 500nm range.
