

MIRAGE

This custom build 38m motor yacht, under construction at Italia Super Yachts, is a great opportunity for delivery in 2018. MIRAGE is the second hull in the series. With an all-aluminium hull and superstructure, she has modern and masculine exterior lines and a voluminous interior that can still be customised by a new owner. MIRAGE features spacious deck areas throughout her three decks including sunbathing platforms on the bow and the sun deck, a jacuzzi, and a bar.

The new Italia Super Yachts shipyard benefits from the craftsmanship experiences and facilities of the old Gianetti and Benetti Sail Division yards combined with a new engineering and design team.
