

VILANOVA GRAND MARINA BERTH 6-311

Vilanova Grand Marina-Barcelona is the first marina in the Mediterranean that was conceived and designed exclusively for superyachts. Located in the prestigious port of Vilanova, it is just 35 minutes' drive from the cosmopolitan centre of Barcelona.

Vilanova offers a protected harbour with easy access, unpolluted air and a mild climate throughout the year. It is an ideal home port with access to a wide range of cultural and leisure activities, as well as all the technical services that superyachts and their crew require on a daily basis. The specialised 30,000 sqm technical area is equipped with the most advanced repair and maintenance services. Integrating the technical area and the marina under the same management is both practical and convenient for captains and crew as they can deal with every conceivable matter through a single contact.

Vilanova Grand Marina-Barcelona offers competitive rates and has a hospitality team to take care of the daily requirements of superyacht crew. The team also organise regular activities for crew, allowing them to discover the marina's amazing surroundings and sample the local gastronomy and culture. Vilanova Grand Marina-Barcelona is definitely the captain and crew's home port in the Med.
