

LADY SHERIDAN

With rich architectural styling, state-of-the-art luxuries and infinite comforts, the 58m LADY SHERIDAN is available for a once-in-a-lifetime charter experience.

Spanning four decks, her interior offers the ultimate in luxury and style. Each room is carefully tailored to suit your needs; be it the opulent main saloon and dining room with its beautiful soft furnishings and unique works of art, the cleverly designed upper saloon which transforms into a surround-sound theatre, or the beautifully-appointed, spacious cabins accommodating up to 12 guests. Most impressive is the owner's suite which spans the full width of the main deck with its adjoining office and "quiet" cabin.

LADY SHERIDAN's expansive outdoor deck spaces are unrivalled and offer the perfect opportunity for chilling in the jacuzzi, soaking up the sun, enjoying cocktails at sunset or dining al fresco. For the more active members of the charter party, an impressive array of water toys is on offer.

All of this is topped off by an outstanding crew who will make your experience on board LADY SHERIDAN a truly unique one, offering only the highest standard of service.
