

SEANNA

SEANNA is 65 metres of serious style. Head-turning good looks, Benetti craftsmanship and charismatic interior styling by RWD and Susan Young Interiors combine to create the ultimate charter yacht.

Impressive guest areas, beautifully furnished in neutral tones with luxurious fabrics, provide the perfect setting for entertaining, and her easy, informal ambience lends itself to recreation and relaxation for groups of friends and families. An unprecedented choice of four guest salons and a dining room ensures there is a place to satisfy any mood, at any time of day. Enjoy an informal breakfast in the bright sun deck lounge, welcome guests on board in the stylish main saloon, escape for an hour of quiet contemplation in the library with its working fireplace, wine and dine in the sophisticated dining room, and make the most of the bar in the upper deck saloon with its inside/outside CLUB SEANNA disco playing late into the night.

With so much to do on board, you need never set foot ashore. Get your pulse racing with a workout in the indoor/outdoor gym, complete with fresh air and sea views, dive off the swim platform or jump on a jetski for a rush of breathtaking speed. Lower the tempo in a choice of sunbathing spots on the sun deck - stretch out on a lounge on the vast, uncluttered aft area, take a refreshing dip in the jacuzzi forward, surrounded by sun pads, or climb to the observatory deck with its incredible 360 degree views.

When the sun gets too much, take refuge on the shaded bridge deck aft for a gourmet lunch, or have a soothing massage in the dedicated massage and beauty room. Younger guests will be drawn to the beach club like magnets, so let SEANNA's exceptional crew ensure they are entertained for hours with a huge selection of watertoys.

SEANNA provides chic accommodation for 12 guests in seven en suite cabins, including a magnificent master cabin with his and hers bathrooms with steam room and a jacuzzi bath, a large study and a separate lounge area. The en suite VIP cabin is positioned on the upper deck, while there are three double cabins and two twins on the lower deck, all sumptuously furnished with en suite bathrooms, televisions and Apple AirPlay entertainment systems throughout.
