

PORT ADRIANO BERTH 81

This is a unique opportunity to secure one of the only 100m moorings in Mallorca in the fabulous new facility of Port Adriano. Berth 81 can accommodate yachts from 80 to 100m in length with a beam ranging from 16.2 to 18m. The berth is offered with 2 parking spaces and the option for 2 lock up garages.

Port Adriano is located at the south west end of the bay of Palma de Mallorca, capital of the Balearic Islands. It falls within the Calvia town boundary, 9km from the city of Palma. Being a new marina, Port Adriano is designed to serve large yachts with 9 restaurants, luxury shops, a sailing school and diving school.

The port is conveniently located only 30 minutes from Palma Airport with its private aviation terminal and connections to main European cities. 25,000 square metres of berths, 82 moorings for yachts and superyachts from 20 to 80 metres all year round and 100 metres in summer, 10,000 square metres of technical area with a shipyard adapted for large yachts.

The asking price shown is for an 80m yacht. Larger vessels can be accommodated subject to negotiation.
